With the case dealt with in File 868.

Here the man entered Service in a first institution when went to an aided Instn & then returned back to a first Instn & had the service in the aided Instn counted for pension. In the present case the service began in an aided Instn & first when the aided Instn became a first Instn he went into another aided Instn & then came back to the 1st Instn. No concession is therefore admissible. He must be considered as having joined Service when he joined the Maharaja's School the second time & then Pension Service decides according No Condonation is possible. OFFICE OF INSPECTOR-GENERAL OF EDUCATION IN MYSORE,

No. 5303/371.

Bangalore, 8th December, 1910. -19-

From

J. WEIR, ESQ., M.A.,

Inspector-General of Education in Mysore.

To

J.S.Chakravarti, Esquire, M.A., F.R.A.S., etc.,

Financial Secretary to the Government of H.H. the

Maharaja of Mysore, Bangaolre.

SIR,

I have the honour to inform you that Puttaparti Seshachar first worked in the Maharani's Girls' School, Mysore as Assistant Master from the time it was started till it was taken over under Government management ie, from 1882 till the 1st April 1891. On the conversion of the school into a Government Institution he ceased to work in it and served in Marimallapa's School which is an aided institution. He then joined the Maharani's School on the 15th May 1897 and has been working there since that date. He now requests that the service rendered by him previous to his joining Marimallapa's School may be counted towards qualifying service for pension.

2. Under Government Order No.7916-7/S&A 585-05-4 dated 20th April 1907 service in the Maharani's College prior to 1891 is counted in the case of those who remained in service after that date. But under Section 290 (c) M.S.R. Transfer to a Grant-in-aid School entails forfeiture of past services and in this case the previous service cannot be counted unless Government are pleased to condone the interruption under Section 292 (*ii*) of the M.S.R.

3. In consideration of his services in writing books for use in the Maharani's Girls' School and of his excellent character as an Educational Officer I recommend that Government be pleased to

condone the interruption in his service and give him credit for the years he served in the school prior to 1891.

I have the honour to be,

Sir,

Your most obedient servant,

J Weir
